

## **SCHOOL DAY**

The length of the school day is established in the collective bargaining agreements with the Harvard Educators Association. The specific opening and closing times of the schools will be recommended by the Superintendent and set by the Committee.

The Superintendent is authorized to make minor changes in opening and closing times to simplify transportation scheduling; however, major changes will be subject to Committee approval.

Parents and guardians will be informed of the start and end time of the school days and when students may be admitted into the school buildings. This information will be included in the student handbooks and on the district website.
