

ORGANIZATION OF INSTRUCTION

The District offers a diversified educational program compatible with the needs of the community and state standards.

The organizational plan will embrace the goals set forth in the district strategic plan.

The structure will consist of three levels -- Primary/Elementary, Middle and Secondary levels.

The Primary/Elementary level includes schools with Pre-kindergarten through grade five. The Middle level consists of grades six, seven and eight. The Secondary level consists of grades nine, ten, eleven, and twelve.

Special education services are integrated across each grade level in all schools.

The organization is designed to meet the standards established by the Department of Elementary and Secondary Education's Curriculum Frameworks, by Time and Learning regulations, and in order to serve the needs of all students.
