

## **STUDENT FEES, FINES, AND CHARGES**

The School Committee recognizes the need for student fees to fund certain school activities. It also recognizes that some students may not be able to pay these fees. While no student will be denied access due to an inability to pay fees, all students will be required to remit charges and fines.

The School Committee may, at its discretion, require fees for student participation in certain school activities.

The School Committee has put in place a waiver process for families for whom user fees present a hardship. Decisions regarding user fee waivers shall be made by Building Principals, Athletic Director and/or Transportation Coordinator and may be appealed to the Superintendent. All waiver applications shall be kept confidential.
