Field Trip Step 1B

Please fill in the information on the back side of this sheet. Please remember to fill out the regular Field Trip Information Form as well prior to departure.

Directions: Complete the information requested below. Please include information about the history of the proposed field trip (if relevant) and travel documents (if necessary). You may attach additional sheets.

All faculty chaperones must fill out the two disclosure forms (1b and 14d) required by Massachusetts General Law. These two disclosure forms must be submitted with this sheet, and are available in the Main Office.

Purpose of Field Trip:

This proposed field trip is for the Business Professionals of America club to attend the National Leadership Conference. At the state conference March 3-5, students won 19 awards, some of which qualify them to compete nationally against students from across the country. In addition, students have the opportunity to participate in a nationally recognized Leadership Academy which offers intensive leadership training and also requires students to intern for at least 4 hours during the conference.

Trip Itinerary:

See attached. Please also see the list of awards from the State Leadership Conference (attached.)

Memo: School Committee Members

Topic: Financial Analysis

Date: March 26, 2018

From: Linda Dwight

Alice von Loesecke, with help from members from the financial committees in town, has compiled data about the finances of the new school building project. CPIC has agreed to contribute \$1,000,000 over 4 years and the school committee is again being asked to contribute \$1,000,000 over 5 years. With these two funds available, Alice shows the decreased impact of the building project for Harvard tax payers.

The first chart gives the numbers with and without the extra funding for just the HES project and also with the full town debt of proposed projects included. There are two different ban/bond options because they are both still under consideration until a multi-board meeting set for Tuesday, March 27th.

The second chart gives more detail; expanding on the information in the first chart.

The third graph is a pictorial representation of the full town debt impact to taxpayers over the next twelve years with the benefit of the \$2,000,000 from CPIC and the School Committee included.

Linda G. Dwight Superintendent

Memo: School Committee Members

Topic: Calendar Change Proposed

Date: March 26, 2018

From: Linda Dwight

The calendar approved for 2017-18 has April 3rd as an early release date to accommodate the town elections. The date was an informed estimate based on prior town meetings of past years. This year, the Town Meeting was moved to May 5th with the ballot vote on May 8th to ensure enough time for the MSBA process regarding the school building project. I am suggesting that we add May 8th as an early release date so that the community entering Bromfield has less contact and disruption to the student population. If approved, we will advertise the change to the families of our Harvard students.

Thanks for considering this change.

GUIDELINES FOR PUBLIC COMMENT

A School Committee Meeting is a meeting of a government body at which members of the body deliberate over public business. We welcome the attendance of members of the school district community to view your School Committee as it conducts its regular business meeting.

Massachusetts General Laws Chapter 30A Section 20(f) governs public participation at open meetings covering all public bodies.

Chapter 30A:20 [Notice, Remote Participation, Public Participation, Certification]

(f) No person shall address a meeting of a public body without permission of the chair, and all persons shall, at the request of the chair, be silent. No person shall disrupt the proceedings of a meeting of a public body. If, after clear warning from the chair, a person continues to disrupt the proceedings, the chair may order the person to withdraw from the meeting and if the person does not withdraw, the chair may authorize a constable or other officer to remove the person from the meeting.

The School Committee believes that the school district community should have an opportunity to comment to the Committee on issues that affect the school district and are within the scope of the Committee's responsibilities. Therefore the Committee has set aside a period of time at each School Committee meeting to hear from the public. In addition, if the Committee believes that an issue requires a dialogue with the school district community, the Committee may schedule a separate public hearing on that issue.

Any citizen who wishes to make a presentation to the School Committee on an item which is of interest and within the scope of the Committee's responsibilities may request to be placed on the agenda for a particular meeting. Such request should contain background statements which would explain the scope and intent of the agenda item. The Chair of the Committee works with the Superintendent to formulate the meeting agendas. Together they will determine whether or not to place an item on the agenda and if the item is to be taken up they will also determine when to place an item on the agenda and all parameters to be required of the presenter.

Here are the general rules for the Committee's public comment period:

- 1. Public Comment shall be for a period of no more than 20 minutes and shall generally follow the opening of the meeting. The Committee reserves the right to rearrange its agenda to accommodate scheduled presenters.
- 2. Any citizen wishing to speak before the Committee shall identify themselves by name and address and shall speak for no longer than 3 minutes. No citizen may speak more than once without permission of the Chair. All citizens shall speak to the full Committee through the Chair and shall not address individual members or administrators.

- 3. Individuals may address topics on the agenda, items specified for public comment, or items within the scope of responsibility of the School Committee. The Chair shall rule out of order any individual who fails to honor the guidelines or who addresses a matter inappropriate for public comment.
- 4. Any Committee member may direct questions to the speaker through the Chair in order to clarify comments of the speaker.

SCHOOL COMMITTEE REVIEW OF PROCEDURES

It is expected that the Superintendent and administrative staff will need to issue procedures implementing policies of the School Committee. Many of these will be routine from year to year; others will arise in special circumstances; some will be drawn up under specific directions from the Committee.

The Committee may review the procedures developed by the Superintendent for the school system whenever they appear inconsistent with policy, goals, or objectives of the District, but it will revise or veto such procedures only when, in the Committee's judgment, they are inconsistent with policies adopted by the Committee.

The Committee will not officially approve procedures except as required by state law or in cases when strong community attitudes, or possible student or staff reaction, make it necessary or advisable for a regulation to have the Committee's advance approval.

Rules Pertaining to Staff and Student Conduct

Under Massachusetts law, the Superintendent is required to publish "rules and regulations pertaining to the conduct of teachers and students which have been adopted." Codes of discipline, as well as procedures used to develop such codes, shall be filed with the Dept. of Elementary and Secondary Education for information purposes only. Standards of conduct will be included in staff and student handbooks. These handbooks will be reviewed and approved annually by the School Committee.

Superintendent Goals

Dr. Dwight presented her goals for the school year 2017/2018 as follows:

- 1. Leadership Team to provide leadership support and guidance to the new leaders at both schools.
- 2. Innovation to evaluate our advances in innovative teaching and learning for Harvard teachers and students.
- 3. Networking to learn from educators in different districts in order to expand our knowledge and expertise.

Enrollment Numbers and School Choice Discussion

Dr. Dwight reviewed the enrollment numbers for October 1, 2017. The total enrollment for PK-12 is 1098 which is 19 students less that the 2016/2017 school year. The Committee discussed School Choice relative to the impact on the budget. The School Choice offset for the current school year was set for 62 students for a total offset of \$310,000. We are running short by 5 students with only 57 School Choice student enrolled this year creating a deficit of \$25,000 in the FY18 budget. In order to stay with a similar offset for FY19 Dr. Dwight is recommending that for budget planning purposes, 7 School Choice students be slotted, creating an offset of \$300,000. The discussion of which grades will have openings will happen at a later date.

Course Enrollment Numbers

The Committee reviewed the Bromfield enrollment numbers by course section for the 2017/2018 school year.

Bus Ridership Discussion

The Committee reviewed bus ridership and ride times for the 2017/2018 school year. Although bus 6 has low ridership, Sandra Martin from Dee bus company indicated that combining those riders with another bus would be problematic in terms of timing and length of ride. The Committee is not in favor of creating group bus stops or reducing a bus route at this time but it is something they will keep an eye on.

Professional Development Plan Review

Dr. Dwight presented the 2017-2018 Professional Development Schedule that defines how each of the early release, half day and full PD days will be utilized for teacher's professional learning opportunity.

Budget Process Timeline

Dr. Dwight reviewed the FY19 Budget Memorandum which showed the completed school budget is due to the town administrator by November 20, 2017 with the date reserved for the BOS to meet with departments set for November 28th. All budgets will be finalized and delivered to the Finance Committee by December 29th.

Mary Traphagen called the meeting to order at 6:16 p.m.

John Ruark read the Vision Statement.

Public Commentary – None

Student Update

Chloe Cushing – Reported that Spring Sports will be starting soon and athletes are excited to get started. Students attended a presentation/simulator on texting and driving. It was awesome and very real. Students liked it and would recommend that it continues. Chloe attended a trip to New Orleans with Juniors and Seniors from Bromfield over February break. It was a great experience and students were able to delve into the culture, get a lot of work done, and reflect each night on their work during the day. Ms. Nilan is proposing an annual trip to New Orleans to continue this important service work.

Grant Acceptance

A gift from Fanfare in the amount of \$690.29 was presented to the Committee for approval. The gift is to pay the hotel costs and parking fees for Ms. Ufema to serve as a chaperone at the All State Music Festival in March.

Jon Green made a motion and John Ruark seconded to accept the gift from Fanfare as presented.

VOTE 3/0

The Harvard Schools Trust presented the following gifts to the School Committee for approval:

Boston Tea Party Museum Visit – Kate Guthro - \$1,200.00 Noise blocking earmuffs – Amy Bassage - \$187.04 Composting food waste – Lauren Crittendon - \$297.00

Jon Green made the motion and John Ruark seconded to accept the gift from the Harvard Schools Trust as presented.

Review of School Building Committee Work to Date

Dr. Dwight explained the timeline and the process for resolution to complaints regarding Open Meeting Law violations. The complaints came as a result of the School Building Committee's Working Group not posting their meetings or minutes and for taking a vote to approve the maximum budget for the school building project, which was not on the agenda. The building committee has proposed remedies which include creating agendas and minutes, for previous meetings. Moving forward all Working Group agendas and minutes will be posted. The building committee will revote to approve the maximum budget for the school building project. Dr. Dwight shared updated renderings, floor plans, and site plans for the Hildreth Elementary School building project.

Superintendent Update

Hildreth Elementary Building Project Update

Here is a list of the actions completed in the past four weeks.

- *Held several meetings leading up to the submission of the Schematic Design Package; a required report by MSBA with many components including the costs, design, and special education report.
- *Gather documents for the two records requests. Spoke with our lawyer and the Attorney General's office for the two complaints regarding OML violations.
- *Held a well-attended public forum in Volunteers' Hall on 2/27.
- *Contacted committee leaders in town to set up times when the SBC may address their members at one of their regularly scheduled meetings. We have four of these meetings set in the next two weeks.
- *Set up eight community forums at a variety of times and locations.

Inclusion Committee Work

The inclusion Committee met on 2/27 and worked on a staff survey. The discussion also included the plans underway for the March 14th Walkout.

March 14th Plan

Leaders from area districts met and discussed the variety of responses to the march against gun violence. We shared ideas, procedures, and communications. Meanwhile, Scott received communication from students that they wanted to meet with him and plan an event a Bromfield. Scott and his leadership team met with the m regularly for the past weeks. Our focus centered around guiding their efforts, teaching about demonstrations and their impact, safety, and respecting diverse perspectives.

Science Lab Update

We continue to work towards the completion of this project. The final task is the plumbing inspection. This will be the last piece of this complicated project.

Middle School Ramp Study

Peter, Mark, Marie S. and Dr. Dwight interviewed the three architectural firms who had submitted packets in response to our RFS. One firm was selected and are in negotiations about their fee proposal. Once an agreement is reached, they will begin the study. The study is to determine the best plan for the necessary egress from the second floor of the middle school wing.

Science Fair

Students, their families, staff, and community member joined together in a night of science. Throughout the day-long event which included set-up, judging, community visits, and an awards ceremony, the students' excitement and pride radiated out. It was a pleasure to observe and participate in this collaborative event.

Lawyer Change of Name/Location

After 34 years serving the legal needs of school committees, municipalities, businesses, individuals, and other Massachusetts government bodies, Deutsch Williams will be ceasing operations on March 31, 2018. The attorneys in the Deutsch Williams School and Labor and Employment Law Departments, including Liz Valerio, Rob Hillman, Nick Dominello, John Foskett, Wendy Chu, Erica Crystal, Matt Buckley, Caroline Thibeault, and Ken King have formed a new law firm and will be available to continue representation as "Valerio Dominello & Hillman LLC effective April 1, 2018. The office location is One Design Center Place, Suite 600, Boston, MA.

John Ruark made the motion and Jon Green seconded to authorize Mary Traphagen to sign forms to continue using the same attorneys with change of name and location.

FY18 Mid-Year Budget Update

Peter Rowe presented an update on the FY18 mid-year budget. The General Fund/Omnibus Budget projection is showing a surplus of \$265,842. As a result, the plan is to reduce the Circuit Breaker and Devens FY18 offsets by approximately \$260,000. In addition, Mr. Rowe reviewed the FY18 Revolving account fund balances. The Circuit Breaker and School Choice fund balances are projected to come in less than budgeted. The Circuit Breaker shortfall may be made up by reducing the FY18 budget level and the School Choice short fall may be funded by appropriating from the existing fund balance. Current spending patterns indicate that we should not expect significant variances for the remainder of FY18.

John Ruark made a motion and Jon Green seconded to move that we table Agenda items IX (Discussion and Vote of Capital Off-Set to HES Building Project, X (Policy Review), and XI (Walk Out Plan and Support) until later in the meeting.

VOTE 3/0

Brainstorm Questions for the Student Advisory Meeting on March 30th

The Committee compiled the following questions to bring to the Student Advisory meeting for discussion.

- Student safety and thoughts on the Walkout.
- 2. Youth at Risk Survey.
- 3. Bi-literacy Competency Test.

John Ruark made the motion and Jon Green seconded to move to revise the agenda and pull back Agenda items IX (Discussion and Vote of Capital Off-Set to HES Building Project, X (Policy

Review), and XI (Walk Out Plan and Support) prior to addressing School Committee agenda items for the next meeting.

VOTE 3/0

Discussion and Vote of Captial Off-Set to HES Building Project

Peter Rowe reported on the projection and expected fund balance available at year end in the Devens Revolving account. It is reasonable to expect that the Harvard Public Schools could choose, beginning in FY20, to direct an annual commitment of \$250,000 to support the costs of replacing the Hildreth Elementary School. It is also reasonable to expect that this commitment could be extended into years beyond FY20 as the enrollment growth and per pupil costs used for this analysis are conservative. The constraint would be a decision to not extend the current contract beyond FY20, or to enter into a new contract with terms less favorable to HPS. The Committee discussed if these funds could be committed during the years when the debt was highest. The amount could be flexible in terms of annual commitment and include a not to exceed dollar amount. The Committee tabled a vote until the next meeting.
